

Garden of Angels

Amended to the Rules and Regulations of August, 2021.

This applies **in addition to** all existing rules and regulations.

1. Lots are sold in groups of (2) or more except in designated areas along the periphery of the gardens where single lots may be purchased individually.
2. Lots are laid out head to head along each row facing west to east alternately and memorials placed back to back along the center of the row.
3. Monuments on family plots of (2) lots or more must be a **minimum** of 4 feet wide , 1 foot 8 inches tall and 8 inches thick, not including the base. Bases must be 1 foot 2 inches wide and 8 inches high. Ground markers must be a minimum of 4 ft. by 1 ft.
4. Monuments on a single lot must be a **minimum** of 2 feet wide, 1 foot 6 inches tall and 8 inches thick not including the base. Single ground markers must be a minimum of 2 ft. by 1 ft.
5. No slant or beveled hickey style markers are allowed.
6. Any vases or planters must be incorporated into the design of the memorial and are not to be placed free standing on any other area of the gravesite.
7. The cemetery alone purchases benches and places them in designated areas only.
8. **Ground markers only** are allowed in sections along easements from the front and sides of feature: Sections 3, 10, 15, 24, 32, 41, 46, 53 & 58.
9. Memorialization on niche doors consists of uniform bronze scrolls as determined by cemetery management, and may only be purchased at the time of need. No vases or other attachments are allowed.
10. Shape & Designs of monuments are to be approved by management prior to installation.
