Rob,

I was so sorry to hear about the death of your Mother. She was certainly a devoted wife to your Dad and devoted Mother to you. God bless you and give you as much comfort as possible at this trying time. You and your wife were certainly a devoted Son and Daughter-in-law.

Your neighbor's mother, Margaret Cusimano

Oh The fun we had every Friday night at the Hannan Football games as we watched our kids play in the band and also walking with the band during Mardi Gras Parade. Brenda was such a joy to be around we would laugh so much she was just the sweetest, giving, and caring person always with a smile on her face I loved my time hanging with both Bob and Brenda they were just the perfect couple as our kids grew and graduated from Hannan we didn't see much of each other but when we did it was just like old times Unfortunately after Hurricane Katrina we lost touch but every once in a while I would see Bob in the parish and he would boast about his beautiful granddaughter and tell me how he and Brenda loved spoiling their little Princess My heart aches for you Rob, Lisa and Josie

But Bob and Brenda are together again and they will be watching y'all from above sending their love from Heaven My thoughts and prayers are with your entire family as I know what it feels like to grieve a parent and I know it's hard because you are still grieving your dad and grandfather and now your mom and grandmother
