“ Jeff was a true example of a Theta Chi brother. I was so fortunate to have known him and to have spent time with him at JMU. So many memories of just hanging out and sharing great conversations. Love you brother.

“ I am truly sorry for your (our) loss. Jeff was my go-to guy for complicated Joint Interest questions. I attended a few different PDI classes where Jeff was the instructor. What an awesome guy and support person. I always knew I could reach out to Jeff and he would return my email. My prayer's are with all of you.

“ I am so sad to say that I never got the opportunity to meet Jeff within the ten years I've known his beautiful, kind hearted, daughter, Elizabeth, however, I feel like I've always known him after hearing so many things about him, and it isn't just what she told me about him that makes me know he was an amazingly, warm hearted, compassionate man, but I can see all of this through his eyes on every photograph that I've seen that Elizabeth has shared. Elizabeth shares all these wonderful qualities with him. Jeff, may you rest in peace, knowing that you've made a positive impact to many lives, and that your children, and grandchildren will live on to do the same.
