“ *I will always remember Jordyn as the Mama that came through, no matter what her child asked. I was Cameryn's teacher and anytime we needed anything for class, she would volunteer her Mom, and mom always came through for her... most notably with a specialty king cake for the class. Cameryn was so proud that only her mom was able to provide that special treat. She is a young lady that new she was loved by her Mom, and what a gift that is for a child. We will all watch out for Cameryn who is the perfect tribute to a doting, loving Mama. Prayers lifted for Cameryn and all of the family.*

“ *34 years ago, my heart was filled with joy , Jordyn was born. She was a sweetheart from the very start. As she grew , beautiful and loving, she made me and everyone that knew her proud. As a young mother she was thoughtful enough to give birth to a beautiful daughter on my birthday! I loved her drop by visits, and warm hugs. I will truly miss my granddaughter, Jordyn. 🇺🇸*
