

Lellia "Tammy" LeCorgne Ber

March 8, 1948 - September 27, 2020

Lellia "Tammy" LeCorgne Ber of Madisonville, LA passed away on Sunday, September 27, 2020. She was born on March 8, 1948 in New Orleans, LA to the late Clyde St. Elmo LeCorgne and Ethel (Huff) LeCorgne.

Tammy is survived by her loved and beloved husband Michael H. Ber; her children Jeff Ber (Michelle) and Anne Ber Morgan; and her three grandchildren Jim Ber, Stephen Ber, and Rylee Anne Morgan whom for Tammy, could have pushed their own little ladders to the moon and personally hung it there all by themselves.

From painting across mediums, sewing her own clothing from a very young age to the most grand, yet simply elegant Mardi Gras Krew of Moslem gown, to crafts and gorgeous, fun keepsakes or décor, Tammy would find a way to create it and wow each of us once more. Adored for her humor, endless loving and giving nature, Tammy has been a bringer of Light to other's journeys and in some cases, the inspiration and courage to keep living, fighting and stepping when life circumstances made these things otherwise hard to do. Tammy stood up in school, years ago and announced to her John McDonogh class that she was tired of people mispronouncing her name, Lellia and would now be dubbing herself "Tammy" ~ a name that those of us gifted with her love and compassion today will always be touched by as she brought a warmth to this world, her family and friend's lives that obliterated rain clouds and lit some of the darkest night's skies. During her time as a Southeastern Louisiana University student Tammy continued dance, honed in on classes related to home economics and would master her already innate talent and eye for detail that for a lifetime could transform any interior or exterior space to one of class, style, warmth and love. She made spaces and places simply feel like Home and will be missed with a gratitude and love that spans persons and lives all over the United States.

Tammy has sewn love, friendship, incredible laughter, unmatched and endless kindnesses into the very fabric of everyone's life she touched. All of us who have had the honor and privilege of her Light in our lives are a part of that fabric. In her early years, Tammy would practice and enjoy the art of dance from childhood and into her young adulthood. A true

metaphor for the music that her love and presence brought to this world and many lives; a testament to Tammy's LoveLight which is now a melody. A melody that forever remains.

Relatives and friends are invited to attend a memorial service at E.J. Fielding Funeral Home, 2260 W 21st Ave, Covington, LA 70433 on Friday, October 2, 2020 at 11:00 AM with visitation on Friday beginning at 9:00 AM. “ I still find it hard to process the fact that my dear, sweet friend will no longer be popping in on the daily chats we always had with our little circle of online friends that became so very much more. Yes, we "met" online in the days before Facebook was even a thing on the message boards for a little show called Supernatural that soon became an obsession for all of us. What started out as bonding over a TV show grew into SO very much more over the years -- a deep abiding friendship that went far beyond how it started. I was very blessed to have had a chance to actually spend several amazingly fun weekends with Tammy and our little circle of friends at conventions and those will always be some of my most treasured memories -- just loads of fun and laughter and love, and maybe a few tears here and there. I can't believe we will not get to share that again, although I know she will always be with us in spirit.

She was one of the sweetest, kindest, most gracious ladies I have ever met with a wickedly sharp sense of humor that was just a delight. She was a true blue friend, sister of my heart, and sometimes when I needed it, a shoulder to cry on and a wonderful source of mom-style advice. She will be sorely missed.

Godspeed, my friend!

“ I didn't personally know Mrs. Tammy, but I know her daughter, Anne Marie and of all the years I've known her, she has been the most loving and kind person I've ever met. I know this is the work of art by a loving mother such as Tammy. It's wonderful how a person can pass down warmth and kindness to future generations to enjoy so that Tammy never truly dies, but lives on inside of those she loved most.

Praying for Mrs. Tammy's family. God bless!

Call or let me know what I can do for you. Love, Mimi
