“ To all the Deloney family,

I remember the first time I met Mack was at the Ponchartrain Hotel in New Orleans - it was the night before Pat and Patty's Wedding. I remember Mack being a very gracious and welcoming man. I did not get to see him too often over the years but whenever I did I was always happy to see him - he was always very friendly and good natured.

I extend my sympathy to all of you on your loss and assure you of my prayers for Mack and for all of you. May he rest in peace.

In Sympathy,

Brother Bob Hazard

“ Mack will certainly be missed by our Northshore business community. He was such a great business resource, always sharing his knowledge and life lessons with those in need of solid and realistic advice. Our SBDC at Southeastern was able to partner with the SCORE chapter that Mack revitalized and it was always a joy to have him around. Rest well in the arms of Jesus; so glad I got a hug the last time I saw you!

“ One of the finest person I ever got to know. He was a true gentleman who would work hard to help anyone in need or anyone trying to better themselves. I will miss his honesty and integrity among the business world. His mentoring attitude will be deeply missed. I missed working with him the last few years but enjoyed the time and years we had together. As mentioned, a true gentleman with great common sense. My deepest condolences and sympathy to the family. “ To all of Mack's Family,

I was so sorry to hear about Mack from our mutual and long-time SCORE associate, Sandy Hughes. Mack and I were probably the two most senior Mentors in Louisiana. He and I were always on the same track administratively and long time personal friends as well.

I know that Mack is now in a better place.

“ Mack was a giant among men, a true leader who shared his business experience and wisdom with those who had an interest in starting a business, those who had no business going into business, and those who wanted to grow their business. Mack started the Northshore Chapter of SCORE in 2009 and is the reason that Chapter is still going 9 years later.

Mack loved his 'bride' Erin, his children, their spouses, and his grandchildren, and he loved contributing to the success of the small business community on the Northshore. Mack was one of a kind: a very special man and an irreplaceable friend.
